## **Single-Level Secure Living**

Nestled privately and securely at the rear of the prestigious and tightly held St Anthony's Place cul-de-sac, this delightful single storey home offers all the charms of this quiet, private and secure enclave whilst enjoying a wonderful community atmosphere within walking distance to Kew Junction, Alexandra Gardens, Kew library, and transport.

Encircled by gorgeous established gardens from each window and north/east facing living, this immaculately presented and recently re-furbished home features spacious formal lounge and separate dining room, 3 bedrooms, main with ensuite and WIR, separate family bathroom, Euro/stone kitchen and meals/family area, ducted heating, cooling, storage room, shed and auto double garage.

This inviting light and bright home is enhanced by its prime location, perfect option for retirees downsizing without compromising on quality or young professionals and families seeking proximity to leading private schools in the Kew precinct.

Land size: 380sqm approx.
