Immaculate Family Living on one of the Biggest Blocks in Bok Beach!

Proudly occupying one of the largest parcels of land in the prestigious Bokarina Beach community, this stylish and spacious home exudes a relaxed carefree vibe with open plan living and entertaining areas. Offering the ultimate coastal lifestyle just a short walk to the patrolled beach, along with dining, retail and local convenience, number Seven Tailslide Crescent presents the perfect opportunity to live the enviable Bok Beach life.

The flawless contemporary kitchen has been designed with the chef in mind, featuring a stainless-steel dual fuel upright cooker, stunning stone benches, huge butler's pantry, and tranquil pool view. Flowing on from the kitchen is the expansive open-plan, casual living/dining areas leading to the expansive outdoor zones and private sun soaked inground pool.

Carefully considered in the planning stages the four bedrooms offer excellent separation for the growing family with the master plus one on the upper level and the remaining two on the lower level. The expansive master suite features an oversized walk-in robe and spacious ensuite with dual vanity and an abundance of storage.

Fully fenced, the large lawn areas are wonderful for kids and pets and the low maintenance landscaped gardens ensure your weekends are free to enjoy all on offer in this wonderful location.

Combining both a practical layout and easy-care finishes throughout, the coastal colour palette has been cleverly chosen to suit the Queensland climate while bold architectural elements give the home a commanding street presence.
