Welcome to 7 Talara Street, an extraordinary residential rarity that offers an inviting and comfortable lifestyle in the highly sought after suburb of Currimundi. This well maintained home boasts an impressive array of features, including a charming front living area, three generously sized bedrooms, two bathrooms, a refreshing in-ground swimming pool, a spacious backyard and a secure two-car garage. This property's original design has been lovingly cared for over time, exuding a unique charm and character that distinguishes it from other residences. Approach the home, and you'll be greeted by a well-kept front yard and striking brickwork. Upon entering, you'll discover a spacious living room, while down the hall, the original kitchen awaits your creative touch. The master bedroom at the rear of the home features a seamless walk-through robe that leads to a private ensuite. Bedrooms 2 & 3 are equipped with sliding doors on their wardrobes. The large in-ground pool and huge covered entertainment area in the side yard beckon you to enjoy hot summer days, while the enclosed backyard is the ideal space for family fun with children and pets. One of the standout aspects of this property is its incredibly convenient location. Here, you're just a 5-minute stroll from the Currimundi Marketplace and the lake, 5 minute drive to Currimundi Beach, a quick walk to the local park, and mere meters away from the highly sought-after Talara Primary School. Don't miss the opportunity to secure your piece of Currimundi.
