Here is a great opportunity. Single level three bedroom brick and tile home with three bathrooms (two of the bedrooms are enormous and feature ensuites). Good size modern kitchen and dining, separate lounge and a large sunroom with wood heater, distant ocean views and access to the sunny balcony. There is also a small office off the rear entry. The double garage has direct access into the house. Solar power and hot water will help keep any future power price rises to a minimum. Low care grounds and a beautiful aspect. The location is so convenient with a mere a 2 minute drive to the shops and beach.
