Neatly nestled in notable Battery Point is this two bedroom cottage. Ideally located a stones throw from the Battery Point Village, Salamanca Place and local schools, the property is an ideal hub for a small family or an executive couple. Built-in robes are offered in the master bedroom and there is enough space to house a wardrobe in the other. A cosy living room flows onto the kitchen/dining room which opens out onto a compact and low maintenance backyard where a number of small sheds and a lockable garage for storage are offered. With a view from the front balcony that looks down to the famous Mr Watson's Cottages and beyond to the Derwent River, this is a gem of a property that is worth inspecting. Unfortunately pets are not allowed at this property.
