This home is a rare find as you are close to the main street of beautiful Casterton but also have room to move and enjoy this large area so close to everything. This wonderful home is in walking distance to the main shopping area, schools, sports ground etc. and is set on a spacious 2-acre block (approx.) which is on three titles so has plenty of potential. Walk in and enjoy the hallway that leads you down to the open living/dining/kitchen area which has been tastefully updated, and as winter has arrived you will be kept warm by the wood heater. The home has had some wonderful upgrades including the spacious bathroom that has been thoughtfully designed. The four bedrooms are good sizes, three of which having built in robes and ceiling fans, and the main bedroom boasts a walk-in robe, ensuite, split system and charming fireplace. Outside you will find a three-bay lockable garage as well as another large garage, carport and plenty of room for the horse, pet sheep or maybe motorbike. Plenty of room and potential with this property - book an inspection today.
