Introducing a hidden treasure nestled in the private neighbourhood of Underwood Grove, where tranquillity meets modern living. Step into this renovated three-bedroom home designed for simplicity and style. Each room displays fine craftsmanship, featuring premium finishes and unique design touches that set it apart. Experience comforts all year round with ceiling fans in every room and split systems throughout for perfect temperature control. The master bedroom with its own ensuite offers a private retreat, while a gas wall heater in the lounge keeps you cozy during chilly evenings. Outside, escape to your own private oasis with enchanting tropical-inspired gardens that provide the perfect backdrop for relaxation. Host gatherings effortlessly at the outdoor bar area, ideal for entertaining under the open sky. This property is not just a home, it's a versatile sanctuary with ample parking, sheds for storage or workspaces, and even space for large caravans. Whether you seek privacy, flexibility, or simply a place to unwind, this thoughtfully designed residence seamlessly blends indoor comforts with outdoor charm.
