Nestled in a quiet court on Berwick's north side, this delightful family home beckons with its timeless charm. A heritage red-brick frontage and appealing decorative facade sets the tone for what lies within. Stained-glass door entry further displays the character that permeates every corner of this neatly maintained home, where laminate timber-look flooring adds a contemporary touch to decorative cornices and ornate ceiling roses. The house unfolds with four generously sized bedrooms. The master suite, a sanctuary at the front of the house, features a captivating bay window, ensuite, and walk-in robe. An expansive kitchen, bathed in natural light courtesy of a pitched ceiling expanding window, offers a neutral, modern colour palette that further enhances the sense of space. Meanwhile, an in-built dishwasher, 900mm cooktop and double wall oven add a touch of convenience. The kitchen seamlessly flows into a meals and family room, creating an open-plan living area, while a second formal lounge and dining area at the front of the home offers street views and additional versatility. A second bathroom with a large, in-built bathtub and shower services the remaining three bedrooms, each equipped with built-in storage and pull-down roller blinds. The remote-controlled double garage offers a rear roller with courtyard access, surrounded by a well-established garden that provides endless opportunity. Ducted gas heating services the home, while split system air conditioning and ceiling fans ensure year-round comfort. Situated opposite parkland, surrounded by walking tracks, and with Wilson Botanic Garden in arm's reach - the lifestyle opportunities at a home in this great location are abundant. M1 Freeway access is just minutes away, Berwick Village, Parkhill Plaza, Timbarra P-12 College are also conveniently close by. With endless possibilities for those with a renovator's touch, seize the opportunity to make this charming family home your own. Photo I.D required at all inspections.
