Sitting proudly on the corner of 2 of Oakleigh's premier and tightly held streets, this beautiful Art Deco, clinker brick home is as unique as it is stunning. Walking in, you will delight in the new crazy-paved, natural-stone path, as you pass the built-in planter boxes outside the bedroom windows, offering an extra splash of colour with pretty flowers. A glazed tile, covered porch offers respite and the front door has nautical frosted and etched embellishments. The entry room sets the theme with picture rails, oak cabinets, ceiling rose and original light fixtures. Original hardwood flooring flows throughout the living and sleeping areas as well as high skirting boards. Adjoining the entry through double, etched glass doors is the dining room, complete with timber mantle and tiled hearth. The lounge leads through another matching set of etched glass doors and has an original mantle and working fireplace which houses an electric log fireplace. A split system adds comfort, with ducted heating throughout. The large country style kitchen is setup for serious cooks, with a Falcon stove with 2 ovens, 5 burner gas cooktop, including wok burner as well as electric warmer plate. Boasting 3 oversized bedrooms, all with ornate ceilings and cornices, oak picture rails, original deco light fittings and split systems for comfortable sleeping year-round. A large family bathroom with separate shower and bath service the home, along with a second toilet. A fully lined attic space provides plenty of extra storage. The backyard is an idyllic space with a large entertaining deck, Olympic size in ground trampoline, outdoor room with French doors, tool shed and a myriad of fruit trees, herb garden and other greenery. Off street parking is through a high sliding gate and the yard is completely dog and child secure. A short walk to Oakleigh Central, Eaton Mall, train and buses, Chadstone shopping centre, great schools and kindergarten, as well as the Oakleigh sports and recreation Centre. Easy access to Monash Uni and Monash Medical Centre. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
