This attractive brick home sits at the front of a generous 4,619m<sup>2</sup> (approx.) allotment in a quiet Creswick street. The current owners have fastidiously updated the property both inside and out with perfectly landscaped gardens creating a natural oasis for the lucky purchasers to escape to. The location in the peaceful township of Creswick offers plenty of conveniences with supermarket, health care, schools and public transport all at your fingertips. Inside the home you have a central open plan living zone that included meals space and chefs kitchen with butlers pantry. There is a handy second living space attached to this open plan area while there is a separate third living space at the front of the home. The master bedroom has walk in robe and deluxe ensuite while the other bedrooms all enjoy built in robes. The main bathroom has separate shower and bath while there is also a full laundry. Other features inside include central heating and cooling, gas log heater, 5kw solar system and direct access to a double remote garage. Outside you have two undercover entertaining areas that overlook separate parts of the lush surrounds. In the middle of the yard is a purpose built studio or home office with the perfect view of the gardens. There is a further large shed big enough for a couple of cars as well as a workshop. The shed has power and concrete floors. The qualities of this home both inside and out need to be seen to be believed. The exclusive listing agent Dominic Morrison looks forward to meeting you at another busy Ballarat Real Estate open home.
