Meticulously designed with its impeccable features and prime location near the M1 motorway, this brand new home is the epitome of modern living. Boasting 4 spacious bedrooms, including a master bedroom with an ensuite, this home provides ample space for a growing family or individuals who value comfort and style. The architectural design of the house ensures maximum convenience and functionality. The kitchen is equipped with overhead cupboards, offering additional storage space to keep your kitchen organized and clutter-free. The open concept living area includes a home theatre, creating a perfect space for entertaining guests or enjoying quality time with family. To cater to the diverse preferences of its residents, this home comes with ducted air conditioning, allowing for precise climate control throughout the year. The high ceilings measuring 2600 mm give the house an elegant and spacious feel while maximizing natural light and airflow. Luxury and attention to detail extend to the bathrooms as well, with floor-to-ceiling tiles and upgraded fixtures. The front door has been artistically upgraded, adding a touch of sophistication to the entryway. Additionally, the tiled alfresco, feature walls, and LED downlights in the living areas create a contemporary ambiance. The kitchen, being the heart of any home, has been designed with utmost care. It features fully tiled splash backs and high-end Artusi appliances, including a 900mm oven and a 900mm gas cooktop with a ducted range hood. With a walk-in pantry available, you'll have plenty of space to store your cooking essentials. Those looking for a stylish, modern, and functional living space need to look no further. The landscaped garden and backyard is perfect and low maintenance for all people that enjoy a little time in the garden. Whether you are a family seeking a spacious home or an individual looking for a comfortable yet contemporary lifestyle, this brand-new home in Hamlyn Terrace is the perfect choice. It seamlessly combines luxury, convenience, and a prime location, making it a truly desirable place to call home. Applications Online Pets On Application
