With some elbow grease and tender loving care this home is an ideal opportunity for a buyer looking at securing their 1st property or someone looking in a price bracket that is becoming increasingly hard to find in these current times. Originally constructed in C1950 it is situated on 1000sqm (approx.) allotment which allows for plenty of extra parking or new garaging (STCA). As the pictures depict you will see there is improvements you may want to make to suit your lifestyle . Coming towards the cooler months of the year the free standing wood heater certainly adds warmth and cosiness to the property's interior. Accommodation consists of two bedrooms and is complemented with a separate living area towards the Northern end of the house. Roberts Real Estate has made all reasonable efforts to obtain information regarding this property from industry and government sources that are deemed to be both reliable and factual; however, we cannot guarantee their complete accuracy in every instance. Prospective purchasers are advised to carry out their own investigations to ensure the property satisfies their suitability/usage requirements. All measurements are approximate.
