\*\*\*\*\*DISCLAIMER AND NOTE:\*\*\*\*\* Photos used are from when the property was new and used as a display home. Garden areas and landscaping elements depicted are also from when the property was a display home. The house is now fully empty of furniture items and has been tenanted as a rental property for several years. This disclaimer will be removed once the photoshoot occurs and current photos are available. Open home scheduling is still a few weeks away as the sellers are undertaking some routine maintenance and touch up works (post tenancy move out). Private viewings are subject to confirmation and coordination with the listing agent.\*\*\*\*\*This truly is a beautiful ex-display home and conveniently located in the highly sought after suburb of North Lakes. This property is within close proximity to public transport and the North Lakes Shopping Precinct, Schools and Sporting Facilities. Neutral colour tones, contemporary design, and quality fixtures and fittings provide an atmosphere of refined yet relaxed living. This home has been designed with something for every lifestyle, whether it be for entertaining or those that need to work from home, or just for all round family living, there is something for everyone's needs in this home. With so much room to move, your family will appreciate the extensive options to work, live, entertain and play. Open plan living zones, separate media and living rooms, and outdoor entertaining overlooking a stunning in ground pool combine to provide space for everyone including extended family and guests. Some features include: 4 spacious bedrooms with built in robes, main with ensuite and WIR. Stunning modern kitchen with stone benchtops high end appliances and a generous sized pantry. Open plan living area with an additional sitting/leisure room. Double lock up remote car garage. Plenty of storage throughout home. Established gardens with irrigation system. Intercom and Alarm system. Ducted Air Conditioning throughout the whole home. The list goes on.... You really need to inspect this home to believe it, you will be impressed and start visualising it as your own from the moment you walk through the door!
