\$575,000

Nestled in the heart of Wandal, this charming 4-bedroom home invites you to experience a blend of timeless sophistication and contemporary convenience. Freshly painted both inside and out, the home radiates a sense of renewed vibrancy and allure. Step inside to find a sanctuary of comfort, enhanced by brand new flooring throughout and air conditioners ensuring optimal climate control throughout the year. Whether it's escaping the summer heat or cozying up during the winter months, you'll always find respite within these walls. Set on a sprawling 1012m² block, this property offers ample space and privacy, complete with side access down both sides for added convenience and versatility. Embrace the freedom to explore and utilise every corner! Venture downstairs to discover an additional room and bathroom, offering endless possibilities for customisation. From a guest suite to a home office or a retreat, let your imagination run wild and make this space your own. New plumbing has also been added to the property. Situated in the highly sought-after neighborhood of Wandal, enjoy the perfect balance of suburban tranquility and urban convenience. With easy access to amenities, schools, and recreational facilities, every aspect of convenience is at your fingertips. Don't miss your chance to make 7 Woodville St your forever home.
