What we love The largest apartment within the spectacular corner CeVue development with plenty of wow-factor. Breathtaking panoramic ocean views stretching from Hillarys to Fremantle and even capturing Rottneest, Garden Island and the Scarborough dunes and sands are complemented by a lush tree-lined inland vista from the very same balcony and a glimpse of the picturesque Perth city skyline as well. A large open-plan family and dining area with high ceilings and solid wooden floorboards welcomes you inside with its picture-postcard panorama. There is also a large carpeted lounge/theatre room that also flows out on to the balcony for its own slice of the awesome view, as well as a sumptuous hotel-like master-bedroom suite, while some of the west coast's finest resort-style facilities are also on offer here, with residents enjoying exclusive access to one of the largest complex swimming pools (18 metres long) imaginable, plus a common function room with barbecue and entertainment amenities aplenty. Throw in three secure under-cover parking bays and a massive adjacent lock-up storeroom right at the entrance of the basement garage off Brighton Road and you have yourself the complete beachside package, just footsteps away from restaurants, cafes, shopping, the Scarborough Beach Public Pool and everything else that the esplanade has to provide. This really is something special.

What to know Combining breathtaking ocean views, unrivalled elegance in design and the ultimate in beachside location, this luxurious sea change is set to astound. With cultured living woven throughout the residence, 70/2 Brighton Road demands a taste for the exquisite. Boasting unsurpassed amenities, cafes, restaurants, and entertainment, this home truly is a dream come true. Opportunities to have the sun, sand and surf at your doorstep do not occur often, so get in touch today!
