Here is something really special nestled on 40 acres (approx) with over 500m of Tinana creek frontage. The amazing double bricked homestead is 450m² under roof with wrap around verandahs and is separate from the self contained granny flat - or is it a teenagers retreat? As you walk through the front door of the main home you enter into the splendid eat in country kitchen with combustion stove. Through the kitchen is the dining room that's big enough to be a ballroom that has one of the three fireplaces the house contains. From there you cross into the lounge room that has another fireplace and is big enough for a pool table as well. Down the hall there are 2 of the biggest bedrooms you will ever see! And then there's the master suite. The bedroom is easily big enough to set up a parents retreat including room for the king size furniture. It has a large walk in robe and enormous master bathroom with a bath and a separate shower. Some more features of this incredible property include:-* 3kw solar system* 8kw diesel generator* Spa pool* 2 dams* 2 machinery sheds* Over 10,000 gallons of rainwater storage* 3 fenced paddocks* Electric gate entrance* Timber cattle yards This truly is the most amazing property that just has to be seen to be appreciated.
