Discover the potential of this hidden gem nestled on a sprawling 1.5 acre (approx.) lot in the heart of Riverstone Estate, Batesford. Approx. 125 years old this home was originally the Bannockburn Police residence that was relocated to Batesford in 1940's. This property offers endless possibilities for those with a vision, whether it's a stunning renovation or a complete rebuild project. Boasting four generously sized bedrooms, this home provides ample space for your family's needs. The high ceilings throughout create an atmosphere of grandeur, awaiting your personal touch to transform them into modern elegance. Embrace the charm of the past with the original kitchen and bathroom, which provide a blank canvas to design the culinary haven and spa-inspired retreat of your dreams. Escape to your personal sanctuary in the master bedroom, complete with an ensuite for added convenience. Double doors lead from the master bedroom to a veranda, offering a serene space to unwind and soak in the tranquility of the surroundings. A recently installed shed on the property has been converted into a versatile home office and workshop, providing the perfect space for remote work, creative endeavors, or hobbies. Surrounded by lush, mature trees, this property offers a picturesque backdrop that invites you to create your very own nature retreat. A chicken coop and veggie patches further enhance the charm of this country haven. Seize the opportunity to craft your dream lifestyle on this expansive property in Batesford. Embrace the freedom to reimagine and rejuvenate, and let your imagination run wild. - Three new split-system air conditioners- Ceiling fans in five rooms- Access to walking track along Moorabool River - School busses from the front of the estate - Gas bottles for stove only- Coonara wood heater- Chicken coop and veggie garden- Workshop with power and water- Separate Home office - Accessible to Kardinia International College
