Discover the embodiment of luxury living in this stunning executive style home. Elegantly designed with high-end finishes; a perfect match for those who demand the best in life. This home is generously proportioned with an expansive living area, spacious bedrooms, an exceptional designer kitchen and solar panels on the roof pumping power back into the grid to save you money. Outside, the decadent design features continue, with an enormous undercover entertaining area with full outdoor kitchen. An inground salt water pool, manicured lawns and the landscape gardens are just the beginning. The kitchen, grand in its proportions, is suited to creating the most sumptuous feasts with almost endless storage options, high-end appliances and classic stone waterfall benchtops. Sleek black benchtops compliment the cream toned cabinetry. With stainless steel appliances for a sophisticated feel and an oversized island bench, perfect for meal preparation or as a breakfast bar. The large living space is a perfect place to unwind or a sophisticated space to entertain. Grey and white tones feature here for a feeling of casual elegance highlighted by plenty of natural light. The master suite is your private oasis. Located at the front of the home, with spacious built in robes either side of the entry to the ornate ensuite bathroom. With floor to ceiling tiles featuring a double shower and double vanity, this space is elegant and contemporary. The remaining three bedrooms are spacious, with built-in robes and air conditioning. An internal laundry features floor to ceiling storage and access to the exterior of the home. The main bathroom is styled in the same fashion as the ensuite bathroom with the addition of a bath tub and separate toilet. This stunning home features manicured lawns and gardens with a large inground pool. Enjoy a refreshing dip after work, while the surrounding area provides the perfect backdrop for outdoor entertaining with friends and family. The huge 5m x 7m outdoor entertaining area with customized feature walls and natural timber ceiling overlook the inground swimming pool and back yard. With a fully functioning outdoor kitchen this perfect location for entertaining guests. A double garage with floor to ceiling shelving plus a gated double carport as well as additional side access with a concrete pad down the full length of the home give you so many parking options for all the toys. This executive style home is situated in a prime location, with easy access to shopping, dining, and entertainment options.
