This home holds the key to coastal paradise and a sweet escape for all-year-round living & holidaying. With the opportunity to embrace the beauty of simple beachfront living in this three-bedroom charming home. Own your own haven where the sounds of waves and gentle breezes flow through your daily living. One of the best characteristics of this home is that it offers a canvas for you to infuse your own style and personality to flow through. The home has been well-kept and has been loved through the years with newly placed carpet throughout the living areas and bedrooms. The three-bedroom home has ceiling fans and air-conditioners. I am sure with the gorgeous coastal breezes embracing through, the air-conditioners will be barely used. With such a gently toned kitchen, it will be the perfect opportunity to put your colours and spin into the design. The kitchen is situated on top of the hardwood floors which are in perfect condition. You'll be able to entertain friends and family easily with such a spacious kitchen that follows onto the deck. The deck will be perfect for afternoon barbecues and alfresco dining, or a lovely lounge set to relax on whilst listening to the coastal sounds. You won't have trouble parking the toys, tools, and cars at 70 Herald. Situated at the property is a large double-bay carport with concrete flooring. Behind the carport, there is an enclosed double-bay shed with solar panels and a shower. All the toys and tools will be safely kept in the lockable shed. And if that wasn't enough storage space, there is an extension leading to the side of the double bay shed for more overhead coverage with an extended carport. Every consideration has been given to shape this coastal home into one that is superbly functional, undeniably charming, and truly comfortable for everyone. Contact me today for more information pertaining to this wonderful home, to arrange your private inspection. Some key features of the coastal home: • Three bedrooms fitted with air-conditioners. • Double carport • Double bay shed with solar panels and shower. • Extended carport attached to the double bay shed • 818sqm2 Allotment • Bathroom with tub and overhead shower • Spacious kitchen • Entertaining deck Don't delay, Explore with Dean & Stephanie Dank today!
