Type: House

Frank Schembri

\$635,000

Fully renovated, beautifully presented and absolutely brimming with benefits. And that's just the start. This is a Family home that will impress from the moment you pull up to the front. The auto entry front gate slides open to welcome you into the landscaped front yard complete with manicured lawn to the right, whilst directly in front is the double carport which leads into the airconditioned double lock up garage/man cave also with auto entry, and additional parking for the obligatory Territory trailer, directly adjacent. Once you step through the front door, your senses will slip into a calm joy as your gaze moves from the neutral colours to the open plan living and then further on to the centerpiece, which is the simply stylish kitchen. This space is complete with island bench, stone tops, loads of bench and cupboard space, plumbed fridge space and if that isn't enough, then you will adore the walk in pantry. The indoor living and outdoor entertainment area are defined by the inconspicuous glass panel concertina doors and retractable fly screen. Both of which are virtually unnoticed when open. As you step outside you will notice the detail that has gone in to make this a space for family and friends to enjoy. From the fully clad ceiling fitted with fans and LED lighting, the rolled up shade screens, the well concealed laundry area which incorporates a wash basin when entertaining outside and the pebblecrete paving which extends to the in ground salt water swimming pool directly in front. There is still enough lawn space for the littlies and the pets to play, and this is all bordered by an easy to maintain tropical garden. Just when you thought that was it, you notice the 8m x 3m, powered shed located in the rear left corner of the yard. This is the perfect space for storage, a hobby room or an indoor play area. Back indoors and all four bedrooms are complete with built in robes and split system A/C. The occupants of the master bedroom enjoy the added luxury of a private ensuite. The main bathroom presents with an easy in and out shower recess which offers room to move. The main toilet is separate from the bathroom. Additional benefits include:- Recently replaced Hot Water System- Recently replaced pool pump- Close proximity to schools and shops- Ready to move into with nothing more to spend Presentation, Location, Practicality and something to suit the whole family. This home is the complete package.
