Tastefully renovated and offering an extremely functional floor-plan, this home offers traditional features with all the modern finishes. The classic bones of this house are balanced with eye-catching monochrome elements, creating the modern-living design combining old world charm. The recently renovated kitchen offers a large bench space, abundant storage, fridge space and new appliances, the kitchen combines dining and living space into one significant airconditioned central living hub. The home provides five bedrooms, 2 with split system air conditioning. The bathroom has been beautifully designed with neutral colours for easy furnishing. Outside you'll find the single bay shed, with vehicle access to the backyard. Entertaining made easy with the back deck off the living area. More photos to come as the last of the renovations are completed.
