A compelling synergy of style, space and setting underpin the allure of this spectacular Lakewood Estate home, presenting an idyllic family lifestyle with dual living zones and picturesque outdoor entertaining that abuts Lakewood Reserve. Practical in its design, the home's layout sees you welcomed by double entry doors before inviting you from the foyer through to a carpeted formal lounge room adorned with a gas log fire and accompanied by an adjacent dining zone. Gourmet delights are ready to be created in the kitchen, featuring stone benches, Smeg oven, Smeg gas stove, Asko dishwasher, soft close drawers plus a breakfast bench. Premium floorboards highlight the open plan meals zone and family room with bi-fold doors and a bi-fold servery window extending onto the paved entertaining zone with BBQ, manicured surrounds and gated access to the reserve. A spacious fifth bedroom or study, laundry with stone bench and powder room complete the ground floor, while a skylit staircase leads up to a landing sitting area and the four robed bedrooms, including a master bedroom with mirrored built-in-robe, walk-in-robe and lavish dual vanity ensuite. Further enhanced by a stylish family bathroom, separate toilet, ducted heating, evaporative cooling, split system air conditioning, under stair storage plus a triple garage with rear roller door. Situated only meters from Knox Park Primary, near St Andrews College, Fairhills High, The Knox School, Westfield Knox Shopping Centre, buses, sports grounds plus EastLink Freeway.
