Discover the epitome of lifestyle living with this exquisite 7.3 acre property, perfectly blending serenity with convenience. Positioned in one of Australia's rapidly evolving growth corridors, this ready-to-move-in haven offers a unique combination of a sea-change and a green-change without the hassle of renovations. Completed in 2018, this modern home stands as a sanctuary of space and light. It features four generously sized bedrooms, a large study with a separate entrance ideal for a home office, and a contemporary kitchen with a walk-in pantry. The design ensures every room captures breathtaking views of Mount Tamborine, enveloping you in a tranquil escape that feels a million miles away. Step outside to enjoy a lifestyle most only dream of. Dive into the refreshing 10.5-meter mineral pool, or indulge in the sustainability of your own veggie gardens, lush orchards, and a backyard flock of chickens. An 18-metre shed slab offers abundant space for any project, while the landscape invites local wildlife, from kangaroos at dawn to bandicoots at dusk. Despite its secluded feel, this property is astonishingly connected. Just moments away are shopping centers, schools, and restaurants, all the essentials alongside the leisure of the Gold Coast. When driving to this property you should come via Maudsland through Riverstone Crossing to Northern Skies Terrace as opposed to Otmoor Rd as suggested by Google Maps.
