We are proud to offer 70 Pembroke Drive for sale. Set on a spacious 660m² level block with both primary and high schools, the local Somerville shopping centre and parkland are just a short walk away. This is what convenience is all about. This immaculate four-bedroom home has been recently renovated with an updated kitchen, bathroom, en suite, new floor coverings and freshly painted throughout. All you need to do is move in and your feet up and enjoy. With two good-sized living areas, and an outdoor entertainment area that will see many a birthday celebration and family BBQ, this is what family living is all about. There is an oversized double garage to store all the toys and plenty of space in the driveway to accommodate several cars, boat or caravan. All seasons are covered to ensure you are comfortable with a split system A/C and a gas log fire adding to the ambience. If you're after stress-free living with plenty of room to grow and able to enjoy all that the Somerville Village has to offer, you can't let this opportunity pass you by. Call John Lewis to arrange a private inspection or drop in during the Open For Inspection on Saturday.
