It's a 'one of a kind', lifestyle residence with no other home to match, presently on the local market.* Tastefully updated* Over-sized living areas* Large fenced, back yard on 814m2 lot* 12m solar heated, salt water inground poolBuyers will become bored as too many words are required to describe all the features and design of this home. For example, the ground floor photos do not show the large study, the guests powder room and no mention is made of the large living area presently used as a children's retreat but with no work required could become a ground floor located, 5th bedroom.The expansive second floor houses 4 family bedrooms (3 with B-I-R) and the grand master bedroom features a parents' retreat, large walk-in robe and ensuite with spa bath. The living area upstairs would make a great retreat for older children.Some of the features of this property include:- * Zoned refrigerated air conditioning and heating. * Black granite benchtops throughout the kitchen and bathrooms. * Large oversized pantry. * Belling free standing stainless steel stove with dual oven. * Bamboo flooring throughout the ground floor. * Large café curtains offering an all-year-round enclosed outdoor entertaining space.No expense has been spared on the safety-glass pool fencing and the quality travertine stone pavers, adding elegance to the pool area. Lazing in the cool of the outdoor entertaining area and gazing across at the aqua blue waters of the pool give the same experience as a tropical resort holiday.This outstanding residence is "best in class" and available for your inspection; please call Patrick 0439 045005.Photo ID is a must for all inspections.DISCLAIMER: All stated dimensions are approximate only.
