\$700,000

Set up high on the road this spacious family home would make a great home. A little rough around the edges but with a little TLC this will shine up nicely. Fantastic location close to schools, shopping center and easy access to major roads. This family home offers: Master bedroom with walk in robe, Ensuite and direct access to third bedroom - great for a home study or baby room Main bathroom with bath Huge wood decking at the front of the house adding another entertainment area. Formal lounge and dining Kitchen with dishwasher Wood flooring throughout living areas Ducted evap air conditioning Split system in family room Patio deck to front of property Single garage/carport Large garage/shed to rear Gardens in need of some attention but huge potential. Currently tenanted on a periodical basis. Suitable for home owner or investor. NB: photos taken prior to tenancy
