\$370,000 - \$400,000

This apartment presents a generously sized bedroom adorned with plush carpeted floors, full-length windows, and mirrored built-in robes, creating a comfortable and visually appealing ambiance. The well-appointed kitchen boasts a galley layout, adorned with a stone benchtop and splashback. It's equipped with integrated stainless steel European Smeg appliances, including a gas stove, oven, and dishwasher. Abundant shelving and drawers above and below the bench offer convenient storage solutions. Designed with floor-to-ceiling windows, the open-plan dining and living area flood with natural light, seamlessly connecting to a generous balcony, perfect for unwinding and enjoying fresh air. The stylish dual-access bathroom incorporates a laundry space, ensuring practicality and convenience. Additional feature includes a secure car space. Complex Features: A security entrance provides residents with a safe and secure environment. An onsite manager is available to efficiently address residents' needs. Residents can indulge in complex amenities such as a swimming pool, gymnasium, and sauna, promoting a vibrant and active lifestyle. Transport: Situated in a free tram zone, commuting in and around the city is convenient for residents. Proximity to Southern Cross station and the freeway facilitates easy travel in and out of the area. Overall, this apartment epitomizes a perfect fusion of comfort, style, and convenience, ideal for individuals or couples seeking a contemporary urban living experience. Conveniently located within walking distance to Woolworths, the Post Office, and the Library at the Dock, the heart of Docklands promises a wealth of amenities and attractions.
