If you are looking for some peace and quiet and a property where you have plenty of space around you but still have the convenience of being not too far away from town, then this could be exactly what you have been looking for! This 3-bedroom house is situated on a 2993 sqm block of land and is only a short 12-minute drive to the Bundaberg CBD. There is a large double bay shed on the property with two carports attached to either side, giving you plenty of safe places to house your cars, boats, or caravans. There are large windows throughout the home making it super light and breezy and the main living, kitchen and dining is very open plan and there are ceiling fans throughout. The main bathroom features a walk-in shower as well as a bathtub. This property has everything you need, it's got solar, 3 x 5000-gallon water tanks and a bore! You can sit on the front undercover patio and have a coffee while the kids and pets run free as the property is fully fenced.
