Type: Apartment

\$286,000

Set in the middle of the CBD and overlooking the hustle and bustle of King William Street this 3-bedroom 1 bathroom apartment could be the perfect first home or investment option for the savvy investor. Offering loads of natural light throughout and some stunning views this apartment certainly will tick some of your boxes. The new floating floorboards throughout and neutral decor will appease most tastes and also make for a good rental option. Situated a stone's throw from The Mall and a short stroll to all the best the city has to offer including Adelaide Oval, RAH, UNISA and for those needing to travel a little further afield there is also unlimited public transport on your doorstep. While heritage listed (and made of beautiful solid stone) there are no restrictions on use or locked in management terms this building and all apartments are fantastic stand-alone rental options.
