This level 7 brand new apartment is being finished in August 2023 and is situated in a highly sort after inner city location. Only two blocks from Wollongong's vibrant mall, this prime location offers convenient proximity to a delightful array of cafes, restaurants, and cultural hotspots, with sports and entertainment venues just a leisurely stroll away. This apartment is impressively spacious with open plan living and dining. Their gourmet kitchens are fully equipped with SMEG appliances and stone bench tops. Step across the engineered timber flooring and you'll also appreciate the Parisi bathroom fittings and tapware. The plush interior of this beautiful residence opens onto its own outdoor balcony area. As you'd expect in a development this luxurious, there's a rooftop pool where you can recline, refresh and renew – in the manner you'll soon become accustomed. The building is equipped with its own gym, function room, and expansive BBQ area - these communal spaces are designed to entertain or simply enjoy a book in the sunshine. This expansive apartment features high end fittings/hardware throughout and makes a stella choice for those seeking a brand-new apartment but not buy off the plan.
