Spring Hill is one of Brisbane's oldest inner-city suburbs and retains much of the charm of this era from colonial cottages, terrace houses to the historical landmarks and its hilly streets. Modern living amongst the quaint heritage buildings brings many city workers to this suburb. Reducing the work commute brings more leisure time and quality of life for families and plenty of night life options for those who enjoy the bars, nightclubs and café/restaurant scene. Roma Street Parklands, Centenary Pool and Victoria Park are all close by with Southbank just a short commute. Public transport is so easily accessible that you'll question why you even have a car when you live at this address! 'San Domenica' boasts city views from the majority of apartments. Comfortable and secure living offers peace of mind. Sauna, pool and gym provide onsite recreational options which have very generous hours of use available to the residents. You won't be happy with yourself if you miss this property! We have a very comfortable 2 bedroom, 2 bathroom, 1 carpark apartment with a balcony. What we love: -Gym, pool and sauna onsite - Secure parking - Dishwasher - Dryer - Secure building with intercom to the unit - Bus stop outside front door of building - City night life and shopping! Book your inspection time now! NOTE: This property is unfurnished. Photographs are indicative of the property floorplan. You must do your own investigation of the suburb and view the property to confirm suitability.
