The Durban is a compact design that's big on impact. As you enter from the wraparound porch, you'll be drawn down a fancy hall featuring a recess that's just made for a mirror- for that last minute 'fit check. The main living area will be a social scene year-round with its super clever design. This huge space flows directly onto an alfresco where you can spend sunny arvos listening to your fave banger. The galley style kitchen is high-key amaze with its breakfast bar and scullery-esque design concealing a walk-in pantry and fridge area. This leads into a well-sized laundry feat. spacious walk-in linen. Yep, we hear boxes being ticked rn. A luxe master suite sits at the front of the home with a huge walk-in robe and walk-through to your private ensuite. Beds 2 and 3 are intelligently designed in their own zone with a dedicated bathroom.*Images depicted on this site are for illustration purposes only.
