\$510,000 to \$560,000

As a celebration of Melbourne's industrial heritage, the Mailhouse at West End offers the design edge of s/s kitchens, box ceilings, and exposed pipes for the full 'welcome' to Wominjeka Walk. This position brings you to level 7 of the 10-level original brick warehouse, commanding exceptional views from Mailhouse's north-east facing corner. With its living room opening to a moulded concrete balcony, this 2-bedroom apartment promises spectacular high-rise grandeur, apartment lock-up-and-leave freedom, and exclusive access to the building's pool, spa, cinema, BBQs and meditation gardens. Studio Beans cafe, Foodworks, bottle shop, medical centre, massage and barber shop are right on your doorstep for the basics and a little extra when you need a pamper. A secure basement car park adds to the appeal for both owner occupiers and investors looking for an ultra-cool city base, as this hip new village takes hold with laidback laneway ambience and proximity to city restaurants, theatres, bars and universities.
