This delightful two-bedroom, one-bathroom home is ideally located in O'Connor, just a stone's throw away from the Hilton border. It presents ample backyard space and countless possibilities for entertaining. Nestled in an established and highly desirable suburb, this property is centrally located for a range of public transport, shopping, parks and schools. Step into the recently renovated kitchen, featuring a subway tile splashback, abundant bench space, overhead cabinetry, and modern stainless steel appliances such as a gas cooktop and electric oven. The family room boasts charming original archways and beam ceilings, seamlessly leading to the formal dining area. Throughout the house, polished bamboo timber flooring and painted brick walls contribute to the bright and airy ambiance. The property includes both an enclosed porch at the front and a sunroom at the rear, providing ample space for a playroom, home office, or additional living area according to your needs. Both bedrooms are flooded with natural light and comfortably accommodate queen-sized beds. They are equipped with custom-built robes and curtains for added convenience and privacy. The original bathroom comprises a shower, bathtub, and a single vanity. The enormous backyard is shaded by established trees, creating a perfect setting for outdoor entertaining and offering unlimited potential for entertaining and playing. A garden shed is conveniently placed for storing bikes and tools. A short drive will take you into Fremantle, where you can enjoy an array of dining and entertainment choices, along with attractions such as South Beach and CY O'Connor Reserve.
