The ensuites, with their full-height tiling, semi-frameless shower screens, and stone-top vanities, add a touch of opulence to everyday routines. But the luxury doesn't end there. An upstairs study beckons for quiet contemplation, while the double remote lock-up garages ensure your vehicles are always protected. With modern conveniences like ducted reverse cycle air conditioning controlled from anywhere in WA and NBN-ready smart wiring, this home is truly future-ready. The plush carpeting, expansive tiles, LED downlights, and landscaped gardens perfectly encapsulate the essence of high-end living.
