Auction | Paul Koulizakis

From its top floor vantage point in a recently upgraded security complex, this tastefully presented apartment captures spectacular views over the surrounding area to the city skyline. It provides a quiet retreat complemented by a location that's at the very heart of all the attractions that make this part of north Newtown such a sought-after lifestyle destination. Buyers will also love the property's light and airy interiors, quality design and prime positioning, that go together to offer a low-maintenance home or investment with enormous appeal. • Smart interiors feature fresh decor and easy-clean polished floors • An elevated north-easterly aspect offering great light and airflow • Practical open design with good-sized lounge and dining areas • A private balcony that captures uninterrupted views to the city • Well-proportioned bedroom with large mirrored built-in robe • Fully equipped kitchen, bright bathroom and a shared laundry • A security car space plus intercom entrance and lift access • Stroll to Sydney Uni, train stations, Hollis Park and RPA hospital
