Welcome to Bayside Central in the beautiful waterside suburb of Thorneside. This neat, well managed complex not only has all the amenities you can hope for - an expansive pool area with a large covered BBQ/Meeting area, a function room perfect for special events & get togethers, a full size tennis court and children's play park - but it is located just a short walk to the train station, local shops and sports facilities AND it's just minutes to the Esplanade and the waters edge!!! Townhome 71 is a semi-detached home with only 1 direct neighbour to the side and no one behind providing peaceful and private living. A tidy home it offers good size air conditioned living and an open floor plan downstairs with a separate WC and a separate laundry with access to the ample L shaped garden. Upstairs both bedrooms have en suite access to the bathroom and the master also comes with air conditioning. Priced to sell now and with reasonable body corp fees this one will not last long at all - entry level buyers and investors particularly should take note! * access to this home is via Bayside Court entry to the complex
