Auction Location: On site With its striking double-height extension and atrium design, this house is a beautifully considered example of interwoven indoor/outdoor space, finished with the desirable addition of a self-contained studio above the lock-up garage. Punctuated with warm timbers and bold metal detailing, it's both creative and functional, an experience full of natural light, tapping into the idyllic NE-facing rear aspect. Equidistant to both King Street and Erskineville Road, it's perfectly positioned for a village connection, a home and lifestyle. Highlights* Unique & eclectic contemporary house* Garage & sep. studio w/ own entrance* Appeal for family, work/life, guest stays* Overhead windows, atrium-style design* Gallery-style lights, exposed timber beams* Recycled brick paving, landscaped c/yard* Stone kitchen, gas cooking, heated floors* F/standing bathtub, king master ensuite* Loaded w/ storage, all beds w/ built-ins* Free Building & Pest Report at bw.com.au
