Discover superb spaces and brilliant indoor/outdoor flow: this beautifully bright three bedroom home is a revelation of surprising proportions. In a prime plantation street, the natural entertainer features a northerly rear garden and enjoys picturesque outlooks. Leadlight, timber fretwork, rosettes and ornamental fireplaces distinguish the hall and restful bedrooms, while the bathroom, highlighting a fully tiled bath, complements family living. Deeper in, the living room, dining room and family domain open to a supreme entertainer's deck, wrapping around the side and rear. Natural light impresses throughout, appliances from Bosch, Smeg and Qasair further appeal and tropical foliage meets with extensive paving in the smart rear garden. Appointed with a powder room, excellent storage, hydronic heating and air conditioning, the property includes parking for two and adjoins a rear right of way. Abundant transport options, schools, parks, cafes and vibrant Sydney Road are all just a stroll, underscoring impressive all around appeal.
