This charming, three bedroom home ticks all the boxes. A great low maintenance property with a vinyl clad exterior and colorbond roof, the home is designed for living with a spacious lounge room at the front of the home, along with a large family room to the rear. The bedrooms are filled with natural light, all with built in wardrobes and are serviced by the family bathroom. The large central kitchen has loads of storage and flows to the family room with direct access to the covered entertaining area. Perfect for the kids, the fully fenced backyard is a great space to play, a real bonus is out the back with direct access to the local park - even more space to explore. This practical home is completed by extra lockup storage for the garden tools along with a tandem carport for vehicle accommodation. The flat yard provides many options and the handy location means that all the towns amenities are at your fingertips. A quality property in an affordable price bracket - be quick to book your inspection.
