Auction Location: On site
An architect-designed home of eco-conscious contemporary style, this classic terrace unfolds into an inspiring re-imagining of space, fusing alfresco living spaces with modern industrial touches and family-friendly elements. Brilliantly realised from the recycled timber features to strategically positioned windows, it's an environment that's both private and open, alive with uplifting light and air.
Highlights* An inspiring architect-rebuilt terrace* Indoor/outdoor living, rooftop garden* Cedar-framed bi-fold doors/windows* Smeg/Bosch kitchen, private c/yard* Integrated feature timber dining table* Opens under recycled timber pergola* Top-floor parents' retreat w/ garden view* Both master ensuite & main bath w/ tub* Walk-in wardrobe & deep roof storage* Stroll to area's best dining/lifestyle spots
