Sorry - this is now under offer. Superb Summit built 4 bedroom plus activity family home. And with secure parking for a 10-metre caravan or boat, this is a really unique package in this estate! Opposite Parks and Bush Forever - this is rare earth! So many people have fallen in love with this area and so many more would LOVE to move there except for one major thing - where do you park all the vehicles? As nice as it is, it can be a bit...tight. This superb home was designed to specifically cater for that very problem - with a secure gated area that will accommodate your 10-metre caravan or boat, the family cars and more. Add to that, you face the gorgeous park and the bushland forever, so you are not squashed in, then add in a beautiful top end Summit Home with all the fruit and you have the perfect package. With 4 superb bedrooms, 2 luxury bathrooms, a kitchen that has everything you will ever want or need including top end appliances, an activity room, a theatre and THAT great room with magnificent raked ceiling leading to SIX stacker doors which leads right out onto the aggregate alfresco - so you can bring the outside in. It feels very luxe! And yes, there is still grass for the dog or kids! And there is a store built out back in case you want to add a pool or just store something! Everything has been pre-thought of. Check out this list...Fermvision Front doorbell / intercom / camera system with control pad Solar system, 6.6kw panels with 5kw inverter. Rainwater tank with pump hard piped to laundry and toilets, auto divert to mains water when tank empty. Gas log fireplace. Reverse cycle zoned A/C Side caravan parking up to 10 meters Outside storeroom / garden tool room Inside storeroom Walk-in pantry Garage storage area Extensive amount of power points Kitchen with full, luxury waterfall bench tops All wet areas have stone benches! Fully fitted laundry with storage Exposed aggregate to driveway and caravan parking area, honed exposed agg to patio and paths Ceiling fans to bedrooms and theatre Easy carefully reticulated gardens Smart wiring with Foxtel outlets to theatre and living. With homes like this in the area now costing well into the early millions to build, the established homes are getting snapped up and let's face it, you won't find another one with the amazing location. If this looks like it would fit your requirements, just email me, or call to make a booking! Don't wait - we will show you through as soon as practical and maybe this can be your next home!
