What a great offering. Excellent street appeal, original internal features, and very low maintenance. This property has a quality long term renter and as an investment property a great option. Polished timber floorboards, high ceilings, original ornate cornice and ceiling panels make for a classic property. This is a genuine set and forget type of property and a great option at an entry level price. This fully compliant home is a great opportunity you won't want to miss, with the roof recently re-pointed and re-sealed, it is a great investment or first home. Currently leased for \$300 per week to a great tenant until October 2024! An inspection won't disappoint and is highly recommended.
