Experience the charm & elegance of this beautiful Queenslander in the heart of The Range. Boasting 4 large bedrooms, 2 recently renovated bathrooms and secure car parking for 2 vehicles, this home offers comfort and space for the entire family! Step inside and be enchanted by the timeless beauty of polished timber floors that grace the entire home. Every step you take will remind you of the rich history and warmth that this architectural gem exudes. The carefully renovated kitchen and bathrooms seamlessly combine modern luxury with classic allure, creating a space that's both functional and aesthetically pleasing. The inground pool invites you to escape the summer heat and unwind with family and friends in style. Situated just off the downstairs rumpus room area complete with bar, together these spaces offer the ultimate entertaining zone perfect for hosting gatherings or special occasions. With the botanical gardens, hospitals, and charming cafes just a short walk away, convenience becomes an integral part of your daily life. Experience the ease of access to green spaces, health facilities, and delightful dining options right at your doorstep. Don't miss the opportunity to own this magnificent Queenslander! Call today to arrange your inspection!
