\$330,000 to \$370,000

Is this three-bedroom, one-bathroom Queenslander on The Range your fabulous new home? Located in Rockhampton's most desirable suburb, this renovated Queenslander has a new roof, a gorgeously refurbished kitchen and bathroom, and a great sense of flow between the kitchen, dining and living areas. Original fixtures include polished wooden floorboards, French doors and textured glass cantilever windows, which give the home a charming ambience. Meanwhile, ceiling fans and air conditioning make sure the place feels fresh and comfortable year-round. Being a traditional Queenslander, the home includes ample storage space under the house, with a laundry and an additional room that can easily be repurposed as a break-out space for the kids. Outside, there is so much room to run around a 582 square metre block that has a low-maintenance backyard and a paved area for outdoor living. The block enjoys dual access as well from West Street & Murray Lane. - 3 bedrooms, 1 bathroom, 1 sleepout - Updated kitchen and bathroom - Timber floorboards throughout - Built-in wardrobe in master bedroom - Ceiling fans & air conditioning throughout - 582 sqm fenced block with rear lane access from Murray Lane - Convenient location, close to shops, transport and schools
