Wow, wow, wow, this large family home delivers a wonderful style of modern comfort, high quality features and one of the most important things you need in any home, "Space, Space, Space". This residence covers approx. 32 squares under roofline with an impressive total internal living area of approx. 25.5 squares. With both formal and casual living zones, four generous bedrooms, master with ensuite and two separate walk-in-robos, separate main bathroom, beautiful entertainer's kitchen with stone benchtops, high quality appliances and a generous walk in butler's pantry. Plenty of individual living zones here, separate lounge room with distant views through the windows, rumpus / theatre room with insulated walls and includes all connections for you to set up your entertaining needs, designated study room, meals and dining area plus open plan living and family area with custom cabinetry to highlight around the TV and visual entertainment pleasure. Outdoor entertaining made easy with the extensive undercover alfresco and BBQ area with the double stacker sliding doors from the main living and kitchen, perfect for parties and large gatherings. Spacious in design, the property has ducted heating, reverse cycle cooling, double remote garage with internal access, concreted driveway with additional parking space, and to finish, the very low maintenance gardens, both front and back. This is a home of quality, size, style and comfort, what are you waiting for? Call and inspect today..
