Located in the heart of the Hunter Valley wine country, Cypress Lakes presents the perfect blend of golf resort lifestyle and ease of access for weekend getaways. Ideally located a short walk away from the club house, this villa enjoys a premium central location within the resort. Featuring three bedrooms, two-bathrooms upstairs plus a powder room downstairs, the villa is spacious and well-appointed. Hardwood floors, LED downlighting, and an open plan kitchen, living and dining are just some of the highlights. Built around a pro golf course but offering much more than golf; Cypress Lakes also includes a country club, two restaurants, two bars, three pools and two tennis courts. If you do decide to venture out of the resort, you are within easy reach of numerous amazing restaurants, cafes, cellar doors and the concert venues. The full-size kitchen includes a breakfast bar, plenty of storage and display shelves; perfect for your cookbooks or knickknacks. The living area is light and bright thanks to the triple, full length windows/sliding doors that lead onto the full width deck, perfect for barbequing or enjoying your morning coffee. For more information and to book your inspection, please contact Jacob McFarlane at McFarlane Real Estate on 02 4954 0399.
