Blessed by an easterly aspect and positioned on level seven of this grand Heritage Beaux Arts style building constructed in 1929, that still retains an abundance of gracious original rich timber features throughout the common areas, including a stunning marble entrance foyer. This charming yet contemporary styled apartment features original windows and latches, double glazing with views through to the Yarra river and Southbank. The accommodation includes a polished timber entrance through to the open plan living meals, incorporating a sleek kitchen area, with stainless steel appliances, Bosch gas cook top, under bench oven, dishwasher and ample cupboard space. Both bedrooms have generous built in robes and serviced by a stylish central bathroom. Additional features include electric heating, Euro style laundry with trough, timber venetians, secure intercom entry and two recently upgraded lifts service the building. Appreciate the outstanding location with tram & train transport, city highlights, cafes, restaurants, Collins Street shops, stroll along the Yarra, theatre, cultural attractions and Southbank all within very easy access.
