Breathtaking with panoramic views of the Dandenong Ranges to the east, and wonderfully placed on the 7th floor of the Sky Garden residential complex which has you in the thick of the action steps to The Glen Shopping Centre and Kingsway restaurants, this 1-bedroom apartment cannot be ignored. The immaculate interiors and designer features of this sleek apartment are irresistible, while the resort-style facilities you'll have access to make this property even more appealing. Wide timber floors, excellent natural light from the east, and an open plan design define the central living and dining zone, which opens out to the memorable balcony where the mountain views will be your inspiration every single day. The state of the art kitchen is both practical and luxurious, and boasts an island bench, gorgeous stone, and stainless steel appliances. The bedroom is sizeable and features built-in robe storage, while the luxe feel of the bathroom (with elegant tapware and a rain shower) will always put a smile on your face. Other features include a European laundry, split system heating and cooling, secure intercom, storage cage, and access to 4000 sqm (approx.) of communal garden space, indoor swimming pool, gym, theatre, library, entertaining rooms, and so much more!
