This two bed -room apartment is located on the 7th Floor in this very popular Flinders Wharf Complex situated on the Yarra River in Docklands – it comes with an amazing 40 square metre north facing terrace – very rare! Flinders Wharf is located directly on the Yarra River directly opposite The Melbourne Convention & Exhibition Centre and Southbank attractions – Southbank Promenade, Crown Entertainment Complex, Docklands Stadium, Southern Cross Station and a host of restaurants and bars. The outdoor terrace will certainly impress pet owners – perfect for this pet friendly building – you also might love your garden or just the additional outdoor space. The apartment features open plan kitchen, dining and lounge – high ceilings with modern LED lighting and a very functional design with two bathrooms. This is perfect for a professional couple who work in the CBD or from home – access to the tram network and the free tram zone is only minutes away. Flinders Wharf provides 24 hour concierge, security, indoor pool, gym spa, sauna and steam room. The car space is located very close to the lifts on level one and the car park is security controlled at the access point in Siddeley Street. Our Vendor is moving interstate at the end of the year and is very keen to sell his apartment! Please contact Mel for a Private Inspection: (0419 044 550)
